Connecting People to Jesus and Each Other

Week 2

"Discipline, Too Much or Too Little"

April 30, 2017

Good morning to you. We would like to welcome you to Burning Bush Baptist Church and this morning's Service.

Consider this statement, “Kids these days, talk about out of control.” I am sure you have heard something like that. There is truth in that statement, but you could also say, “Parents these days, talk about out of control.” The reality is as you look across the landscape of America, you can’t point your finger at the children, it’s the parents that are ultimately at fault. There are lots of parents that are doing a great job but unfortunately, there seems to be an increasing number of moms and dads who are not shouldering their responsibility. Today, we continue our new series, *Real Parenting*, with our week two subject – *Discipline, Too Much or Too Little?*

Pastor Dennis

If you are here and sense the joy and happiness shared in this place but realize it’s not in your life, you can experience it by giving your life to Christ?

How?

Pray: Lord, I have sinned against you. I know I can’t fix my life on my own. I want forgiveness of my sins. I believe Jesus lived a perfect life, died on a cross for my sins and rose from the grave. I want you to come in, forgive those sins, and to be my Lord and Savior. Amen.

Unless, you pray this with sincerity, it becomes only meaningless words. But if you mean them, it will change your life forever. Tell someone about your decision to follow Christ or check the appropriate box on our information insert.

Burning Bush Baptist cordially invites you to become a member of our congregation. We sing a hymn of commitment at the close of every service. Should you be led of God’s Spirit to become a member of our church, you are invited to make your way to the front where the pastor will be waiting to receive you:

- **To make a public profession of faith** in Christ as Savior, looking forward to baptism and church membership
- **To ask for church membership:**
  - transferring from another Baptist Church
  - on your statement that you are a Christian and have been a member of a Baptist Church in the past
  - for baptism by immersion, if you come from a church of another denomination with different
