This Sunday we have a special speaker Algernon Tennyson. He was previously scheduled to speak for DNOW weekend and at our church this coming Sunday. We had to cancel DNOW, but we are excited to still have him speak for our online service. To watch the online stream, go to our Facebook page or our website and click the "watch livestream" feature.

ALGERNON TENNYSON founder and president of Awaken International Ministries, is a dynamic and passionate evangelist with a heart for all generations. His unique speaking style captures the full attention of any audience while imparting Biblical wisdom. From local churches to youth conferences and camps to national organizations on university campuses, he has spoken nationwide for over 22 years.

Algernon has a radical personal testimony on how Jesus Christ changed his life. As a young man, excelling as an athlete, his life's purpose changed when he heard the Gospel of Jesus Christ. His testimony, along with his gift of evangelism, has enabled him to reach youth and adults in a very powerful and effective way. Born and raised in Georgia, Algernon and his family currently live outside of Atlanta.

A special thanks to all the staff. They have been asked to set aside the ministry model they have known for all their lives and come up with a new ministry model in a 48 hour time frame. They have responded with enthusiasm, excitement and plunged themselves into making it happen. Thanks you for your hard work and great attitudes.
