QUARTERLY BUSINESS MEETING

**SUNDAY, JUNE 26th
6PM, B3 AUDITORIUM**

Chair Fundraiser

As most of you are aware we are remodeling our auditorium. We knew going into the project that prices could increase, and supply issues could arise. We mentioned in our original town hall meeting that if that occurred, we would ask folks to consider donating to purchase chairs. We have worked extremely hard to keep expenses down and have kept many items under budget, but wood and the price of chairs have increased significantly. We do not want to compromise on the quality and comfort of chairs so we are asking if you would consider donating toward the purchase of chairs. If each family donated enough to cover the number of chairs that their family requires it would significantly offset this budget item.

The price of each chair is \$115. A couple could donate \$230. A family of four - \$460. Some of you might want to purchase an entire row at \$920. Others may be able to give more and others less. Any amount will make a difference. We ask that you pray and if God leads you to give above your regular offering, designate your check for chairs or mark it electronically if you do online giving.

There is a sample chair up front near the elevator if you would like to try it out.

A photograph of a man and a young boy standing in a grassy field with a wooden fence in the background. The man, wearing a plaid shirt and jeans, is looking down at the boy. The boy, wearing a dark shirt and jeans, is looking up at the man. They are holding hands. The scene is bathed in the warm, golden light of a setting or rising sun, creating a soft, hazy atmosphere. The sun is visible in the upper right corner, casting long shadows and illuminating the scene with a warm glow.

**HAPPY
FATHER'S
DAY**

The Catoosa Baptist Association and the Northwest Georgia Baptist Association are considering merging into one association. Reasons for this include:

- 1. We believe God is in it. We see this in His timing and through time spent in prayer and study of His word.**
- 1. It makes financial sense. Right now, the majority of what our churches give goes toward necessary expenses and payroll with not much left for ministry. By merging, ministry money will become available.**
- 1. We are better together. There will be more hands for the work, more access to ideas and creativity, more fellowship, and more resources to help our churches.**

If you have questions or thoughts please ask Pastor Dennis.
