B3 KIDS MINISTRY

CHRIST CENTERED

At B3 Kids, we strive to make Christ the center of everything that we do. From Nursery to 5th, our volunteers aim to point our kids to Jesus as the One who loved us and gave Himself for us. We help kids by connecting them to Jesus...and each other.

BIBLE FOCUSED

At B3 Kids, we pride ourselves in being biblically based in all that we do. We firmly believe that God's Word is the foundation for our understanding of who God is and how we should live our lives.

COMMUNITY DRIVEN

At B3 Kids, we come alongside families in our community by encouraging, equipping, and providing resources to better support you. We take joy in partnering with families by caring, nurturing, and building relationships for our good and His glory.

OUR VALUES

CHRIST FIRST

The most important thing we can bring to the table is a growing relationship with Jesus Christ. By putting Christ first in our lives we know we will experience transformation through the power of the Gospel!

CIRCLES NOT ROWS

We believe we experience God best in community. Students have multiple ways of getting connected to their community through Wednesday night or Sunday morning small groups along with events that happen throughout the year that are geared specifically for students.

CHIP IN

We Bring God Our Best. This is a non-negotiable when it comes to being generous with our time, talents, and money. The Lord is the most important person in our lives and we seek to be good stewards and glorify him with everything he has given us.
